

# Adena Health Resource

*Your Resource for Health and Wellness*

---

**Introducing online scheduling for urgent care**

## **Skip the waiting room**

At Adena Health, we're committed to finding new ways to get employees back to work sooner. One of the ways we're accomplishing this is by launching online scheduling for urgent care.

**An exclusive resource for our valued employer partners**

### Did you know?

Adena Health offers a free digital content library with resources to help employers support the health and well-being of their employees.

Find a range of resources at [adena.org/workplaceresources](https://adena.org/workplaceresources), including infographics, fliers, and checklists, addressing a variety of health-related topics beneficial to your employees. Whether you're looking to promote wellness initiatives, address common health concerns, or support your employees in making healthier choices, we're here to help.

Get Resources

A promotional banner for MyChart. It features a red background with a blue hand icon pointing to a white heart icon inside a red folder. The text "My Health. My Adena. MyChart." is on the left, "Take Charge with MyChart" is in the center, and "Manage your health care — anytime, anywhere." is below it. A "Sign up" button is on the right, and the Adena Health logo is in the bottom right corner.

**My Health.  
My Adena.  
MyChart.**

**Take Charge with MyChart**  
Manage your health care — anytime, anywhere.
